Some very wonderful conclusions have the problems of the poor laboring classes For one thing the priests are unanimous men equal. A few prelates, realizing that some pretense should be made for the alleviation of the working classes of the church, have specified the exact cause of the discontent among the masses; Archbishop Ireland says need be poor who practices economy, 'By saving all his earnings," said Bish op Carroll, "every laborer may become a capitalist." Cardinal Gibbons once said:

The trouble of the poor should be solved by charitable organizations." Cardinal O'Connell said that trouble comes " from extravagance in the home, and is largely ment by the Romish press is, "the poor God's publics are to be envied, and the rich, God's outcasts are to be pitied. " "The more we have of any thing but riches, the better off we are. The catechism and all the teachings of rites of King Alphonso and his work the Romish church are calculated to lead image-blessers,
